

JATAYUU ENTERPRISES PVT LTD

Wings of Strength.
Hands of Skill.

Company Overview

Jatayuu Private Limited is led by a young and ambitious team—fresh graduates who chose courage over comfort and purpose over popularity. While most of our generation pursued software careers, we chose a different path: the path of infrastructure, manpower excellence, and operational discipline.

We believe India's growth doesn't rely solely on technology—it depends on the people who build, maintain, manage, and protect its spaces.

We may be young, but our vision is clear and strong: to transform the service sector with modern thinking, world-class processes, and the boldness to take on work that many overlook.

Our Vision

To become India's most trusted and integrated service provider offering end-to-end manpower, facility, and infrastructure solutions.

Our Mission

- Deliver high-quality manpower and facility services with consistency.
- Empower businesses with reliable operations and trained professionals.
- Build long-term partnerships based on trust, discipline, and performance.

Services

Facility Management

Comprehensive housekeeping & janitorial services, property operations, waste management, lobby & front office management, landscape & garden maintenance, parking & gate management.

Manpower Services

Housekeeping & facility staff, admin & office support, drivers & field executives, warehouse & logistics workforce, skilled technicians (electrical, plumbing, AC, carpentry).

Why JATAYUU

"This is more than business for us—

this is our contribution to India's

growth. A chance to serve you is a

chance to grow, improve, and build

something meaningful for the

future."

— The Jatayu Team
